### CHRISTMAS LUNCHEAS AND PARTIES 2024

- Wishing each and every JD a good December.
- It's not the best month for me, what with birthday & Christmas to get through. I'm sure many also struggle with the jollity of it all.
- However, this year, I am thankful for my JD SthGlos 2 group, you ladies have made me laugh so much and helped me embrace the good moments.
- I also want to say a huge heartfelt thanks to Zoe Taylor, for continuing your mums legacy and for organising the 1st JD Party in Paignton.
- The JD holidays this year have been amazing, both South Africa & Mallorca, equating to new friends from other groups.
- I'm looking forward to next years adventures.
- Merry Christmas ladies and best wishes for 2025.
